FRED AND HIS STRANGE VISITORS

Yesterday evening, Fred was at home. He had dinner at 9 o'clock, as usual. That day he ate a big bowl of salad and drank lemonade. After that, he took a quick shower, he read a chapter of his favourite book. Finally, he sat on the sofa and watched a film. He slept in front of the TV. Suddenly he woke up because he heard a strange noise. He stood up and ran to the window.

Can you guess what he saw in the garden?

A flying-saucer! He thought it was a dream so he decided to go on with his life. He went to the bathroom and brushed his teeth and forgot about the flying-saucer.

Suddenly something knocked at the front door. Fred was afraid. He took a baseball bat (to use it as a weapon), and walked towards the door and opened it.

There were two aliens, smiling and jumping. They said 'Could we have a cup of tea, please?'

Fred started to laugh and asked them to come into the house. The aliens told him about their planet, about their trip and all the kilometres they flew to get to Planet Earth. Fred made some things for the Aliens to eat. One alien chose chocolate cake and the other cookies.

After a long conversation, both Aliens said 'Good-bye' and wrote their e-mails, so they could keep in touch. They had a great time! It was the beginning of an extraordinary friendship.

Note: Fred gave us a picture he drew from his visitors!

Now, answer these questions:

1. What did he do before reading his favourite book?

2. Who visited Fred?
